

FIFTH ANNUAL QUARRYING SAFETY AND HEALTH SEMINAR

6th JUNE 2007

REGISTRATION 7:30 am
PRESENTATIONS 8:00 am
MORNING TEA 10:10 am
LUNCH 12:45 pm
AFTERNOON TEA 3:30 pm

Venue:

Bardon Conference Centre
390 Simpsons Road
Bardon

The Institute of Quarrying
Australia

Queensland Government
Department of Mines and Energy

CEMENT CONCRETE
& AGGREGATES AUSTRALIA

7.30 – 8.00
REGISTRATION

8:00 8:05
WELCOME ADDRESS FROM THE CHAIR
ROGER BILLINGHAM
MINES AND ENERGY

8:05 8:15
OFFICIAL SEMINAR OPENING
HON. GEOFF WILSON MP,
MINISTER FOR MINES AND ENERGY

8:15 – 9:35
KEYNOTE ADDRESS
PROF. DREW DAWSON
UNIVERSITY OF SOUTH AUSTRALIA

Fatigue Management

"Is fatigue a foreseeable risk which industry should be addressing? Is there a shared responsibility around fatigue which focuses on rest and quality of sleep?"

Drew will examine the changes to common law relating to fatigue in mining and quarrying industries and will provide a broad overview of the direction industry and legislators are heading. He will also present some ideas on how to address the issue of fatigue in the workplace.

9:35 – 10:10
Fatigue Management – Operator's Perspective
GREG BIGGS
NEW ACLAND COAL PTY LTD

Greg explains the systems in place for fatigue management at the New Acland Coal Mine and discusses his experience with the implementation of fatigue management systems at the mine and the challenges faced.

10:10 – 10:30
MORNING TEA

10:30 – 11:00
Machinery Guarding
JAY MAHARAGÉ
MINES AND ENERGY

Jay introduces the principles of machinery guarding for people working with or near machinery that could cause harm through contact. He will also discuss the recent changes to the Australian Standards on machinery guarding.

11:00 – 11:30
Training - Building a Safe / Productive Workforce
SHANE O'NEILL & GRAEME DOUGLAS
MINING INDUSTRY SKILLS CENTRE

*"What are the costs of training employees versus the costs and risks associated with not training them?
Are WH&S licences alone sufficient for operators?"*

A presentation on the role of the Mining Industry Skills Centre in the Extractive / Quarrying sector, legislative obligations, risks associated with poor training and what the Mining Industry Skills Centre can do for you. Shane will provide answers to the questions and explain the benefits of training. Graeme will provide an overview of the State Government funding program managed by the Mining Industry Skills Centre and explain how industry can access the funds.

11:30 - 12:05
Accidents
JOHN GEMMELL
MINES AND ENERGY

*"There are no new types of accidents;
only people with short memories."*

John's popular presentation and discussion on lessons learnt from a selection of recent accidents and incidents in Queensland mines and quarries.

12:05 - 12:45
Computer Simulation to Minimise Vehicle Collision
PETER McKELVIE & DR GUY EITSEN
IMIS PTY LTD

Peter and Guy will demonstrate simulation software that can help identify current and future risk hot spots where likelihood of vehicle collision is high and compare numerous operational scenarios to determine the most efficient and cost effective options in planning production.

12:45 – 1:45
LUNCH

Presentations

Presentations

1:45 – 2:25
Energy Isolation
MIKE WATERS
MINES AND ENERGY
&
NIGEL HARRISON
LOCKSAFE INDUSTRIAL SAFETY EQUIPMENT

Mike will detail the legislative requirements for energy isolation in mines and quarries followed by Nigel who will detail various types of energy isolation equipment for different applications.

2:25 – 3:25
GUEST SPEAKER
ANDREW MAY

Andrew is a leading expert on performance. He is the former Physical Performance Manager of the Australian Cricket Team and co-founder of Good Health Solutions, Australia's largest corporate health consultancy. Through "Switched on Performance" Andrew specialises in the delivery of best practice shift work and fatigue management programs.

*Andrew May appears by arrangement with
Caxton Speakers International.*

3:25 – 3:30
CLOSING REMARKS FROM THE CHAIR
ROGER BILLINGHAM
MINES AND ENERGY

3:30– 4:00
AFTERNOON TEA

Display Stands

LSM Technologies Pty Ltd
Locksafe Industrial Safety Equipment
BDM – Master Lock Safety Mayo Hardware
Cirlock Lockout Equipment
Mining Industry Skills Centre

**FIFTH ANNUAL QUARRYING
SAFETY AND HEALTH SEMINAR**

Please ensure that an e-mail address is provided for all registered delegates, as all communications regarding this seminar will be via e-mail.

Cost: \$88.00 per person (including \$8.00 GST)

Booking

rspv: To secure your reservation, complete the registration form below and return no later than 4:00pm Thursday 31 May 2007.

delegate 1: Mr / Mrs / Ms / Dr / other

surname: _____

first name: _____

e-mail: _____

delegate 2: Mr / Mrs / Ms / Dr / other

surname: _____

first name: _____

e-mail: _____

Please list details of any additional delegates on a separate sheet.

organisation:

name: _____

telephone: _____

fax: _____

address: _____

_____ postcode: _____

Purchase Order No: _____

I/We enclose a cheque payable to Cement Concrete & Aggregates Australia for:

\$ _____

This document will be a GST Tax Invoice on receipt of payment. ABN 34 000 020 486. Please retain a copy for your records. If you require a separate tax invoice please tick the box - ☐

Registration and payment may be posted to:

Cement Concrete & Aggregates Australia
Level 14, 348 Edward Street
BRISBANE QLD 4000
Attn: Brooke Courtnage – Seminar Coordinator

Preferred payment is by credit card:

- ☐ **Visa**
☐ **Mastercard**

Credit card number:

_____/_____/_____/_____/_____/_____

Expiry date: ____/____

Total Amount: \$ _____ (including GST)

Cardholder Name: _____

Cardholder Signature: _____

Date: _____

Credit card payments only may be faxed to:

Brooke Courtnage – Fax No. (07) 3839 6005

Cancellation: 48 hours minimum notice is required for cancellations, by e-mail only, to brooke@ccaa.com.au. No refunds for cancellations within 48 hours of the seminar will be given, although an alternative representative may attend.
